# To Cruise or Not to Cruise?

## Anacapa or Cruise to Nowhere?

### Saturday, April 24, 2010

It looks like we "goofed". A flyer for **The Cruise to Nowhere** recently went out, but it is **only a "backup" plan** should we need it. Our cruise to Anacapa Island on Saturday, April 24 is still on, although it will be a little different this year.

We will not be able to get onto the Island due to work being done on the stairs. Therefore, our day trip will be to **Frenchy's Cove**.

Frenchy's is on the east end of the western most island on the north side... check your charts, it is clearly marked.

You will need to anchor in the cove and dinghy to shore.

What to bring? Hors d'oeuvres to share, a picnic lunch & your favorite beverage. Blankets & folding chairs would be an added bonus. Leave early enough to make the 18 miles and arrive before lunch. After lunch (and possibly a nature talk) you can depart for the trip back, stay overnight, or cross to Smuggler's or Coches (on Santa Cruz Island) & overnight there.
