

**SAILING INSTRUCTIONS  
CRUISE CAPERS  
July 28th at Emerald Cove**

**HOSTED BY:  
Bill & Jean Crew**

**SKIPPER'S MEETING:**

Promptly at 2 p.m. on Wednesday July 28th. Raft up in your dinghies or Kayaks at Pelican Express.

**FORMAT:**

Each team will be handed a clue. At a given time, announced at skippers meeting, there will be a count-down and then a horn blast, signifying all dinghies or kayaks can depart.

Solve the clue and then go where directed and get next clue. Repeat until you have solved all clues and have returned to the clue where you started. At that point return to Pelican Express, taking with you each solved clue. Your time will be recorded when you arrive back at Pelican Express.

Each team is on its honor to properly solve the clues in order and not to follow other dinghies around the course. Since each team will be given a different clue to start, you would be foolish to try to follow another team because you would be way out of synch.

**CAN'T SOLVE A CLUE?**

If you are unable to solve a clue, go to Pelican Express and you will be given the answer. You will be assessed a five minute penalty.

**ANTI-SPEEDING RULES:**

To avoid speeding in the anchorage, the following rules will be in force.

- All members of "team" must be in same craft (dinghy, kayak, etc.).
- Only oar or paddle power may be used. Exception: if all occupants of craft are 75 years old or older they may use an outboard engine, but in idle speed only.

**PRIZES**

There will be numerous prizes to the teams with best elapsed times (penalty times added) and to teams with best poker hands. To qualify, a team must return to Pelican Express with a copy of each clue.

Prizes will be handed out ashore at the BYOB&D.
